

2020-2021 Drop off / Pick up instructions

To help traffic flow smoothly please follow the map. It will also help if you have your dancers name and grade on a piece of paper in the car so staff can assist in getting them to the correct dance room.

STUDIO A (Pink Room) & Studio C (Grey room)

Main door entrance / exit- (GREEN ROUTE)

Please do not turn off Twin City Hwy on to Chicago. UNLESS you are parking. We do not want traffic backing up on Twin City. Please enter Chicago from 12th street. Be courteous of our neighbors and do not block driveways or parking lots. You will enter the outside lane (former drop off lane). You will stop under the carport, in front of the cross walk (the red heart) to drop off and pick up your dancer. Dancers will apply sanitizer and be sent directly to their spot in their dance room.

STUDIO B (Blue Room)

Studio B door entrance / exit - (BLUE ROUTE)

You will need to enter the alley behind the studio from Boston. This will allow you to turn right from the alley into the inside lane (former pick up lane) to drop off and pick up. You will stop at the back of the driveway (the red star on the map) to let your dancer out and in the vehicle. As you proceed through the lane please drive with caution, (dancers are entering and exiting) and stop at the stop sign on the carport to look for dancers entering the main door. Dancers will apply sanitizer and be sent directly to their spot in their dance room.

Drop off

You may also choose to park and walk your dancer to the appropriate door. DO NOT let dancers walk by themselves from the parking area.

We have allowed space between arrival and departure for each grade. Please do not arrive too early for your classes. If you are too early you will be asked to pull around.

Pick up

For pick up dancers will wait inside the building at the assigned door for their ride to pull up a staff person will let them out the door. You may also walk to the assigned door to pick up your dancer. Dancers will not be let out of the building until their ride is at the door.

Dancers are not allowed to hangout inside the lobby. Please be on time to pick up your dancer.

Each class & grade will have specific drop off and pick up. These instructions will be emailed with this map to each class. We have done our best to make sure they always use the same door.

To enter Chic or Shabby you will need to enter the store directly using the doors on Twin City Hwy.

Please be patient with us as we work to make this plan run smoothly. Change is never easy, however we are doing our best to keep our dancers safe as we move forward.
